

The **Friends of Laurelhurst Foundation** is a nonprofit community group established in 1998 with the goal of creating a \$1 million endowment for the benefit of Laurelhurst Elementary School children. With a current asset base **in excess of \$1 million**, we need your help to ensure the Foundation's continued growth and stability into the future. Annual distributions from the endowment benefit today's students and ensure the ongoing vitality of our school for future generations. The hallmark fundraising program for the Foundation is the **Five for Five (545) Campaign**. By becoming a 545 Family, you pledge to support the Foundation by giving \$500 each year for 5 years.
